Mathematics – High School - Middle Township Public Schools It's a middle school curriculum that is

very concrete. Much of the work is done with a drawing board. Instead of just looking at figures and doing problems, students are creating the figures. This was a low-pressure math year for us, which was great! I'd recommend it for middle-school for sure, especially for students who don't love math.

7 Honest Homeschool Math Curriculum Reviews | The Sparrow ... In the United States, mathematics curriculum in elementary and middle school is integrated, while in high school it traditionally has been separated by topic, like Algebra I, Geometry, Algebra II, each topic usually lasting for the whole school year. (A few states and localities follow an integrated curriculum, as other countries do.)
