... Democratic governance and human rights are critical components of sustainable development and lasting peace. Countries that have ineffective government institutions, rampant corruption and weak rule of law have a 30-to-45 percent higher risk of civil war and higher risk of extreme criminal violence than other developing countries. Democracy, Human Rights and Governance | U.S. Agency for ... governance,” recipient governments are expected to be “effective, honest, equitable, transparent, and accountable,” while for UNDP, a “good government” is expected to provide also for sustainable human development and “participation” usually in the form of NGOs rather than an electoral process. DEMOCRACY, GOVERNANCE AND

DEVELOPMENT essence of democracy – is indispensable for accountability and for the sustainability of development over time. Key to ensuring better development outcomes, which democracy can provide, is an enabling environment in which even the poorest and most marginalized can have a voice and help to shape the development agenda. Democracy and Development - IDEA Another key indicator which shows that the link between democracy and development is weak is the fact that there is a growing situation of authoritarian states which are showing that they can reap the benefits of economic development while evading any pressure to relax their political control. 10 East Asian countries
