It's easy to search Wikibooks by topic, and there are  
separate sections for recipes and childrens' textbooks.  
You can download any page as a PDF using a link  
provided in the left-hand menu, but unfortunately  
there's no support for other formats. There's also  
Collection Creator - a handy tool that lets you collate  
several pages, organize them, and export them  
together (again, in PDF format). It's a nice feature that  
enables you to customize your reading material, but  
it's a bit of a hassle, and is really designed for readers  
who want printouts. The easiest way to read Wikibooks  
is simply to open them in your web browser.
