Politics And Society In The Politics & Society (PAS), a peer-reviewed quarterly, publishes well-researched articles that raise questions about the way the world is organized politically, economically, and socially. Established in the late 1960s as an alternative, critical voice of the social sciences, PAS regularly debates the theory of the state, class analysis, politics of gender, methodological individualism and rational choice, and the future of capitalism and socialism. Politics & Society: SAGE Journals Society is the sphere within which politics acts as an intrinsic element with the utmost importance of facilitating a rational disbursement of resources and
