device groups or profiles yet, the best way to get started is by using the step-by-step guide. You can also add devices and assign profiles to them without using the guide. Go to the admin center at <https://admin.microsoft.com>.

In some cases, you may also find free books that are not public domain. Not all free books are copyright free. There are other reasons publishers may choose to make a book free, such as for a promotion or because the author/publisher just wants to get the information in front of an audience. Here's how to find free books (both public domain and otherwise) through Google Books.
